Dear Ms. Bruno:

The Community and Family Support Training Center (CFSTC) is an authorized Continuing Education Unit (CEU) Sponsor and member of the International association for Continuing Education and Training. The CEU concept is to provide individuals with recognition for their efforts to update and broaden their knowledge, skills or attitudes. Records of CEUs awarded provide a framework within which individuals can develop and achieve long rang educational goals through a variety of options.

We are proud to present you with this Certificate for Continuing Education, awarding 8.0 CEUs for successfully completing the Marketing Managers Course conducted through the Center for Executive Development at Texas A&M University, College Station, Texas.

We maintain permanent records and documentation which will allow you to obtain and transmit to others a record of your lifelong learning experiences.

Sincerely,
