

Travel & Leisure Training

Annual 2001/2 Kissimmee-St. Cloud Military Marketing Seminar January 13-18, 2002
Hosted by the Kissimmee-St. Cloud Convention and Visitors Bureau

Fort Monmouth Attendees:

Salvatore Impollonia, RDS Operations Team Leader

As Manager, Sal is more knowledgeable of the products, packages, and potential sales that may be incorporated into the daily sales of the TNT office.

Erin Virgilio, RDS Facilities Operator for Tickets N' Tours

As a front door operator, Erin will be able to use the Travel Guide to establish contacts and better utilize military packages for current and potential customers.

Krista Pernell, Marketing Assistant for MWR

As the graphics person, Krista has a better knowledge of effective design for TNT brochures and print media. Established day-to-day contacts to keep up to date and current information for TNT publicity.

The 5-6 day seminar involves fifteen-hour days filled with classes and discussions concerning the current market and sales trends for the existing military market through vast site inspections, on-site presentations, and working meals. The curriculum includes a Customer Service Training portion provided by Disney©. Disney© has always been light years ahead of its time through customer based business and training. The most important aspect of the training was to enlighten the customer to the benefits of a relaxing or invigorating vacation, what ever the case may be, so that the customer can come back to reality with a sense of being refreshed.

The seminar also provided information and training on Product Packaging, which in the travel and tourism industry equates to Vacation Packages. The contacts and guidance received from this portion of the seminar were provided in the form of a travel guide that attendees took with them for future reference. The staff of the Travel Office (Tickets N' Tours) will use this and the contacts acquired continuously so that the customers and potential customers will have the most current and up to date information.

Being that the seminar was held in Orlando, which is the capital of tourism attendees are able to actually experience the Parks, Resorts, and Attractions, to better sell tickets, information, or vacation packages to customers as well as potential customers. Information was also shared on similar attractions in various areas of the country, and internationally.

\$300.00 Bargain Book and Voucher Program:

The \$300.00 Bargain Book contains 52 pages of discounts to all of Old Town's stores, restaurants, amusement rides and night life options. This book is available to all military personnel via the \$300.00 Bargain Book Voucher. We can personalize the voucher by overprinting your military base name on the back side of the voucher. After you have given the voucher to military personnel, they can redeem it at the Old Town General Store for a \$300.00 Bargain Book, totally free of charge!

Group Programs:

Old Town offers group rates for dining at Damon's Clubhouse (the best ribs in the industry). Please call for pricing and requirements.
